To: Honorable Judge Myron Thompson,  
Re: Michael Shawn Campbell (Son)

Honorable Judge Thompson, I am writing on behalf of Michael Shawn Campbell. I am Michael's biological mother. I live at 203 Stone St, Bothan AL 36301. I have been married for 23 years to Wayne Smith, which has always thought of Michael as his own son. Michael has always been a good boy from the time he was born on this earth by God. Michael has always been smart and well mannered. Michael grew up in a Christian family. Michael has always been respectful and brought up with good morals. I have never once had a bad compliment on Michael. Everyone has always spoke highly of Michael. Michael was always in love with sports and other childhood activities, he has always been a fair sportman at everything. Michael attend Headland Elem. School and was always great in school and grades. He was always in love with sport.

there also. Michael has 2 kids Austin 8 and Jordan 12, they love their Daddy and miss him deeply. Michael has always worked and supported his family with God in his life. He has always had his family in mind on everything. Michael has missed a lot since his incarceration he has missed birthday and holidays with his family, ball season is fixing to start soon, when the kids look up at the bleachers their daddy want be there to cheer them on. His family misses him deeply. It was a shocking time when we heard of his arrest, it almost killed me. - Michael's family and friends have been there to support him through all of this. It would be different if we knew that Michael was a troubled child but he's not. We would still love him if he was. Michael since he was a small child had always played cops & Robber with his friend I would ask him why he liked playing cops, (he would say because I like catching the bad guy) So you see your Honor he had already choose this career from the time his

young mind started. when Michael told me he was wanting to go into law enforcement I supported him all the way but in the back of my mind I was praying that God would protect him because there's a lot of danger involved in law enforcement. we don't know what went wrong in this case and may never will but we know that this is not like Michael. He's always been a good child, loving father, and husband. I truly believe that he didn't know all he need to know (as far as training) to be in narcotic division. Since all of this has happened it has been so heart-breaking to us all. we have been in touch with him everyday to support him. Michael knows he made a mistake and he's truly sorry. Michael's too good of a boy to be in this mess. He's too good of a father to be without his children, they are getting to the ages that he really need them & they need him to guide them. You know I could go on & on about Michael's life history but I don't want to take up your valuable time. I know that you're very busy. ~~So~~ Michael's arrest has been

our hearts out. I you Honor please for the  
sakes of Michael and his family take all  
of this in consideration when making  
your judgement on Michael. Since he's  
been gone there a hole in everyone's heart.  
Like I said were here supporting him all the  
way. My mother tries to make every  
visit she can but she's not in good health  
at all. She has to have someone to travel  
with her when she makes her visits because  
to so far for her to go alone. I have  
been home bound for the last 4 years  
myself so I haven't ever seen him  
in 10 yrs, except hear his sweet voice.  
So you Honor will you also take in  
consideration of a location close by for  
him to go so family & his children  
can visit each time. I would like  
to thank you for taking this time to  
read these letters. Please you Honor  
take all of this in consideration when  
making your judgement.

Sincerely  
Becky Smith (mother)
